

KEVIN KENT

SKILLS

Retired Navy SEAL with over fifteen years of experience in the film industry as a producer, director, actor, stuntman and military/ technical advisor. Combat-proven leader and accomplished cinematographer and filmmaker.

OBJECTIVE

To utilize my education and knowledge in the film industry and my leadership experience as a Navy SEAL to lead a group of eager professionals as a producer and director.

EXPERIENCE

President | K-Squared, Inc | May 2013 - Present

Responsible for the supervision and training of actors, stuntmen, and background extras in the performance of their roles in film. Hands on advising to directors, producers, and department heads throughout preproduction, production, and postproduction. Personal security liaison and expert responsible for the safe transport, assessment of the environment, and security for cast, crew, and high value individuals in austere filming locations around the globe.

US Navy SEAL | US Navy | Oct 1992 – Sept 2013

Chief Petty Officer responsible for the supervision, education and high-risk training of active-duty military personnel, government contractors, and foreign nationals during the performance of their duties inside and outside the US. Conducted over 2600 live explosive breaches, supervised over 1400 hours of demolition, static and dynamic firing range evolutions and fired over one million rounds downrange.

EDUCATION

Bachelor of Science in Digital Cinematography | Aug 2021 | Full Sail University
